

☐ *Let's Talk More*

I'm not ready to let everything go to make Jesus the ultimate thing in my life, but I'm interested in talking more about it.

☐ *Letting Everything Go*

In response to Jesus' love and death for me, I'm letting everything go in order to make Him the ultimate thing in my life.

☐ *Letting Something Go*

I have been following Jesus, but I am letting go of something that I have been valuing above him in order to remake Him the ultimate thing in my life.

☐ *Leading like Jesus*

I am deciding to live more like Jesus by actively shaping my life around Him and sharing His love with my brothers and sisters.

☐ Thanks, but I just came to check things out.
